LEHS

Lords Education & Health Society

About us:

Lords Education and Health Society (LEHS) is a not-for-profit entity that was established in 2003 as a society under the Indian society registration act 1860. In 2014, the Wadhvani Initiative for Sustainable Healthcare (WISH), the flagship program of LEHS, was established with a generous grant from Mr. Sunil Wadhvani and his family.

Wadhvani Initiative for Sustainable Healthcare (WISH) is a US 501c3 organization founded by Mr. Sunil Wadhvani, philanthropist and co-founder of iGate. In India, WISH is the flagship program of LEHS. a registered non-profit organization in India. LEHS|WISH works towards improving the quality of and access to primary healthcare services for the under-served communities in India. WISH is implementing healthcare models through partnership with state governments, international agencies and the private sector by appropriately introducing promising healthcare innovations in the public health system in order to build an equitable, innovation-led and evidence-based quality healthcare system within easy reach of the underserved populations.

We are committed to building an equitable, quality-assured, innovation-led ecosystem that makes healthcare accessible to the most underserved.
