# Short-term Sr. Analyst (Strategy Consulting) - Social Impact / Development Sector

# Starting mid-November 2024 for 3 months

Alstonia Impact provides strategic and investment advisory services to philanthropists, multilaterals, impact funds and non-profits in the areas of public health, education, and economic development. Our clients include leading organizations such as Bill & Melinda Gates Foundation, World Bank, UNICEF, One Acre Fund, Omidyar Network and Wadhwani Al among others.

We are currently advising several funders, non-profits, and social enterprises. To this end, we are looking to hire a short-term Sr. analyst for 3 months (full-time, with the option to extend). The consultant will work on high impact engagements as part of international 3 to 4 member teams. Others on the team have previously worked at leading for- and non-profit organizations (McKinsey, Gates Foundation, Siemens), and have studied at leading universities (INSEAD, Imperial College, Delhi School of Economics, DTU).

# **Key Tasks**

- 1. Help with the structuring, development and formalization of our advice for our clients
- 2. Develop financial and impact models to be able to quantify and prioritize initiatives
- 3. Conduct secondary research to understand sectors, competitive landscapes and technologies to support our current or prospective client engagements
- 4. Conduct primary research through interviews or surveys
- 5. Support the development of benchmarks and lessons learnt
- 6. Help with our client development activities, to increase our pipeline of projects

## Profile / Skills Required

- 1. 2+ years in professional services such as Consulting and Investment Banking. Candidates with exposure to Impact Investing/Impact Consulting will also be considered.
- 2. Strong work ethic and consistent track record in meeting tight deadlines
- 3. Strong data, analytical, and problem-solving skills
- 4. Ability to summarize complex information in a clear and concise manner
- 5. Comfort in interviewing and engaging with senior stakeholders
- 6. Prior exposure to the social impact sector, esp. public health and climate would be an advantage

**Note**: This role requires full-time availability over the project period.
